Liberal Democrats
Stronger Economy. Fairer Society.
Opportunity for Everyone.

These policies were in the Lib Dem 2010 manifesto and would not have happened without our 56 MPs:

- ✓ Raised the income tax threshold to £10,500. Low and middle income workers are now £905 a year better off
- ✓ Restored the link between pensions and earnings - ensuring pensions keep pace with living costs
- ✓ Targetted £2.5bn into schools for the poorest pupils and free school meals for all 5-7 year olds
- ✓ Tripled renewable energy and cut carbon emissions
- ✓ Introduced a banking levy so banks pay their fair share

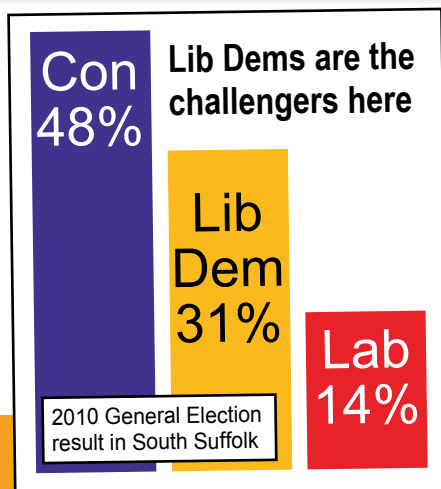

Our commitments for 2015-20 include:

Families - extend free childcare from 15 to 20 hours a week

Environment - we will bring in 5 green laws, protecting our forests as well as bees and pollinators

Economy - we will provide a £3bn growth fund to help modern businesses

Workers - increase tax threshold to £12,500

“We have kept the Government in the centre ground and shown that we are the only party that can build a stronger economy and a fairer society.”
